## REACH declaration of conformity

Declaration on EU Regulation (EC) No. 1907/2006 on registration,  
Evaluation, approval and restrictions of chemical substances

According to Regulation (EC) No. 1907/2006 (REACH), which came into force on June 1, 2007, elero GmbH counts as a downstream user. elero GmbH only sells non-chemical products and is therefore not obliged to register or report to the European Chemicals Agency (ECHA). elero GmbH expects its suppliers to act in accordance with REACH requirements.

In accordance with Regulation 1907/2006, ECHA regularly updates its list of substances of very high concern (SVHC) on its website: <https://echa.europa.eu/de/candidate-list-table> .

Based on the information available to us from the material suppliers and their data sheets, we would like to inform you in accordance with Article 33 of the REACH Regulation that our products do not contain any of the substances on the currently valid candidate list with a concentration above 0.1% w/w with the exception of the substances listed in Annex I.

No substances are used in elero GmbH's products that are listed in Annex XIV of Regulation (EC) 1907/2006 and require approval by ECHA. All restrictions of Annex XVII of Regulation (EC) 1907/2006 are also complied with.

This information is based on information from our suppliers and has not been verified through destructive testing procedures or chemical analyzes and is based on the current state of our knowledge and experience.

No warranty or liability can be assumed for factors beyond our knowledge and control.

All SCIP entries for our finished products can be found in detail in "Appendix I – REACH Declaration of Conformity elero GmbH", on our website at:  
<https://www.elero.de/de/unternehmen/rechts-fragen>
